Saudi Arabia (officially Kingdom of Saudi Arabia) is a Western Asian country and the largest country of the Middle East. It is bordered by Jordan and Iraq on the north and northeast, Kuwait, Qatar, Bahrain and the United Arab Emirates on the east, Oman on the southeast, and Yemen on the south. The Persian Gulf lies to the northeast and the Red Sea to its west. It has an estimated population of 28 million, and its size is approximately 2,149,690 square kilometres (830,000 sq mi).

The Kingdom is sometimes called "The Land of the Two Holy Mosques" in reference to Mecca and Medina, the two holiest places in Islam. Saudi Arabia is the world's leading petroleum exporter.

Only the 10 piastres red and green of the basic King Ali issue, without the control overprint, is accepted by some as having been valid for postage. There is disagreement with that opinion.
