COLLECTORS CLUB OF CHICAGO Gold Medallion Award

Jury Instructions and Award Criteria

The Collectors Club of Chicago Gold Medallion Award is to be given to a Large Gold or very deserving Gold Medal exhibit for particular merit in:

1. Originality in the exhibit concept.
2. The strong integration of research in the exhibit.
3. A new approach to exhibiting.
4. An exceptionally clear and informative exhibit write-up.
5. The exhibit's visual appeal to the public.

The award has been created for multi-frame exhibits, but under exceptional circumstances may be given to a single-frame exhibit.

The award can be presented to the Grand or Reserve Grand exhibit. It is not meant to be a "kiss-of-death" award, meaning as being given to the exhibit that missed winning the Grand or Reserve Grand award.
