

Stamp "Sub-" traction

- Pick out 6 stamps.
- Put two in each box.
- Make sure the first stamp is a higher number than the second stamp.
- Subtract the numbers and write your answer on the line.

$$\quad - \quad = \underline{\hspace{2cm}}$$

$$\quad - \quad = \underline{\hspace{2cm}}$$

$$\quad - \quad = \underline{\hspace{2cm}}$$
