

# Confidential Jury Chair Report

## APS World Series of Philately Shows

Jury Chair: \_\_\_\_\_

Show: \_\_\_\_\_ Date: \_\_\_\_\_

### 1) **Preparation for Judging**

Did the local committee provide the jury with adequate information beforehand about the exhibits, i.e., title pages, synopses, in time to properly prepare?

Was information provided electronically (e-mail attachments or web links), by hard copy, or both?

How far in advance of the show did you receive the first mailing? \_\_\_\_\_

How far in advance did you receive the last mailing? \_\_\_\_\_

Was a list of exhibits in frame order, a set of worksheets, and lists of exhibits eligible for special awards provided?

Did the jury receive all the required information about show and judging logistics, i.e. where to go, and when, times of all events, schedules, names of the judges, etc.?

### 2) **Judging**

Were there any specific problems with any of the jury members during the judging, deliberations, or critique, e.g. not well prepared, uncooperative with fellow jurors, missing for periods of time, not cooperative with exhibitors, not available for at the frames critiques, gross errors of judgement about exhibits, etc.? If yes, specify name and briefly describe the problem.

Did you discuss the problem(s) noted with the judge in question, and was there any reaction?

Did any of the above matters relate specifically to using points when evaluating exhibits? If so, please briefly explain.

Do you feel that points helped focus the jury during deliberations and in providing helpful feedback to the exhibitors? Please briefly explain, if necessary.

Did using points result in comments from judges or exhibitors that CANEJ should consider? If so, please explain.

Were there any exceptionally good performances turned in by accredited jury members? Briefly describe

3) **Post-Judging**

Were the jury room facilities adequate?

Was the room used for the feed back session adequate?

Was the jury introduced at the banquet?

Was there any other judging related difficulty?

4) **Overall**

Was there anything exceptionally good, poor or unusual about the show that you would like to mention, for example, was the show well attended, were the dealers happy, is the Show Committee strong?
